portfolio-jack.com

Female, 22-years old full-time international student studying at Fontys University of Applied Sciences.

As well as most of the international she is a part-time warehouse worker and the job itself has some potential risks of injuries due to the fact that it is a physical job.

Therefore, in such case of an emergency he needs help from a doctor.

GOALS

- Graduating University
- Corporate job position
- Traveling the world
- Owning an apartment
- More time for friends and family

NEEDS

- Easy access in case of need or emergency
- Fast way to communicate with the doctor
- Competence

HOBBIES

- Brazilian jiu-jitsu
- Yoga
- Reading books
- Watching TV
- Clubbing

FRUSTRATION

- When you do not know how to find a good doctor
- When you do not know how the system works
- Lack of personal communication
- Finding an English speaking doctor
